I found the day very useful and it gave reason to why we are required to manage the land in a particular way.

The Grassland Development Centre, based in IGER, is managed by the Welsh Development Agency on behalf of the Welsh Assembly Government as part of Farming Connect.

PTO

- The combination of the lecture and field visit was excellent.
- It is so important to hold the event on a working farm.
- The hospitality, food and welcome was much appreciated.
- The introduction of the impact on the bird population was useful and interesting.
- PLS advise where you obtained / we can purchase the liquid and to take the soil  
(ADAS OFFICES PRICE ON REQUEST)
